

THE HONORABLE JOHN C. COUGHENOUR

UNITED STATES DISTRICT COURT
WESTERN DISTRICT OF WASHINGTON
AT SEATTLE

BERNADEAN RITTMANN, *et al.*,

Plaintiffs,

v.

AMAZON.COM, INC., *et al.*,

Defendants.

Consolidated Action
CASE NO. C16-1554-JCC

MINUTE ORDER

This matter comes before the Court on the parties' joint status report (Dkt. No. 295), following the Supreme Court's denial of certiorari petitions in *Carmona v. Domino's Pizza LLC*, No. 23-427, 2024 WL 1706016, slip op. at 1 (U.S. 2024), and *Miller v. Amazon.com, Inc.*, No. 23-424, 2024 WL 1706098, slip op. at 1 (U.S. 2024). In that report, the parties provide dueling proposals for a path forward in this putative class action. (*See generally* Dkt. No. 295). At issue is to what extent the stay in this matter, (Dkt. No. 289 at 1), should be lifted. (*See generally* Dkt. No. 295.) After reviewing the joint status report, the Court concludes it is now appropriate to lift the stay *in its entirety*.

To assist the Court in formulating a scheduling order for anticipated concurrent renewed motions for class certification and to compel arbitration (along with other anticipated motions, such as a renewed motion to dismiss the First Amended Consolidated Class Action Complaint), the parties are DIRECTED to meet and confer and provide the Court with a supplemental joint

1 status report containing a proposed revised case management schedule, through class
2 certification (including required discovery). This supplement shall be filed with the Court no
3 later than May 10, 2024.

4 In the meantime, the stay remains in effect. The Court expects to lift it when it enters a
5 revised case management order. To the extent a party wishes that the Court consider a motion
6 previously struck by the Court, (*see* Dkt. No. 282 at 2), they must so renew that motion but need
7 not refile supporting declarations. They can rely on previously filed declarations (with references
8 to their location on the docket, *e.g.*, Dkt. No. ____ at ____).

9
10 DATED this 3rd day of May 2024.
